Malleshwaram Shishu Vihar (39, 4th Cross Road, Malleshwaram), Bangalore (MSV), was established in 1953 by Smt. B K Thirumamma, an eminent educationist who adored children with deep commitment, affection and care. With her motherly love coupled with discipline, she took keen interest in each and every child in the school, guiding, grooming and prepared them to effectively face the next phases of life after school. Many of those who studied in MSV have settled well in life holding responsible positions in the Society in various parts of the world. This year, the school is completing 60 years of dedicated service.

Accordingly, it has been planned to hold the Diamond Jubilee celebrations of the school on the 23rd and 24th of Nov 2013. In this respect, the alumni from the very first batch of students in 1953, are willingly and affectionately offering their time by meeting on the first Sunday of every month in the school premises, till the Diamond Jubilee in Nov 2013. On the 3rd February, the president and a few alumni, met to discuss and plan for the Diamond Jubilee. The flow of love and respect for the school was intense; alumni came from the far off Singapore to proximal Mysore for the meeting. The excitement reached the pinnacle, when the very first student of the school participated in the meeting.

One of the alumni, a professor in the Indian Institute of Science, took time and efforts to collate group photos from the 1960s and created a link in the Google Website (contact MSV school for the link) through which they could locate themselves with their classmates, their teachers and with their loving and revered motherly Smt. Thirumamma after decades! Many of them have expressed to actively participate in school activities and assist the school in the manner desired. These intense feelings and commitment for the school, are due to the strong value based education they received to establish well in life.
